2024 Sponsorship Levels

Wake Monarch Academy's Annual Golf Classic is attended by nearly 150 individuals at the beautiful Lonnie Poole Golf Course. All proceeds raised from this tournament go directly to support the mission of Wake Monarch Academy, the Triangle's first and only recovery high school. Your support ensures that adolescents in recovery from a substance use disorder have a safe, sober environment in which to receive an excellent education. Additionally, your contribution helps to build our scholarship fund so that students from all socioeconomic backgrounds have access to this critical recovery resource.
